Small Group Guide

Beauty

Hallow is offering 3 months free in support of the Archdiocese's Reclaiming Sundays initiative: try.hallow.com/reclaimingsundays

SUGGESTIONS FOR THIS MONTH'S MEETING:

- With Advent and Christmas just a few weeks away, your group might enjoy a holiday-themed social event outside of regular group meetings. Consider suggesting the idea and help plan, if appropriate. This is a great opportunity to deepen the friendships that have been growing in your small group!
- How has communication been for your group? Is everyone receiving messages letting them know about upcoming meetings? Do group members feel that the level of communication is meeting their needs and helping them grow together as a group in between meetings? Now is a good time to check in.

DISCUSSION QUESTIONS

1. *Share about a work of art (for example: a painting, a sculpture, a stained-glass window, or even a building) that has had an impact on you or your relationship with God. Why do you think this piece moves you?*

2. *In this month's video, Bernadette Gockowski talks about the "wow factor" of walking into a beautiful Catholic Church. Is there anything that "wows" you about your own parish church? In what ways does the space speak to you about God?*

3. *Because we are made in God's image, we are not only creatures but also intended to be creators. What kinds of creative gifts has God given you? How could you use the Lord's Day to explore those gifts more?*

4. *What kind of impact do you think beauty can have on our times of prayer?*
